

WU SHUR SHIN CHUAN FA
FIST LAW OF THE WARRIOR SPIRIT
“ WHERE THEORY ENDS AND ACTUALIZATION BEGINS”

Greetings my Brothers and Sisters,

Aug 16, 2007

For all of you who attended the Las Vegas seminar and tribute banquet, thank you for your support! What a great time we all had and the energy at the seminar was powerful and uplifting.

At the tribute banquet we all were honored by the presentations given by several different demonstrating martial artists. Brother Kraiguar Smith and brother Tyrone Sheriff presented me with awards of recognition from city and state officials along with personal gifts. To complete the evening, brother Darryl Jones (DJ) gave a wonderful account of the BKF history, reminding us all of where we came from and our contributions to the world of martial arts history.

As I covered in my first letter, we did retire the BKF patch to accept a new patch that represents the new vision and direction of the Federation. Some of you may have also heard rumors about me dissolving the BKF or that the BKF is now part of some other organization. Both are lies! It seems that the lies are coming from people that I called close friends. I'm not sure why the lies are being told but I wish that the ones doing this would just stop. Those of you that don't want to be part of the new BKF, that's fine. Just leave us alone and move on to do what ever you are going to do.

If you are interested in the truth about the BKF, you can call me, but don't waste your time and mine passing lies. The fact is the BKF is alive and well and is ready to begin to write the next chapter for the history books, ensuring our continuous legacy. In the past, the BKF made history when we came together. Attending tournaments in the hundreds, we marched side by side showing our strength and pride. Let's show the world that our pride is still alive.

The first act of business for the BKF is the completion of the Actualize Seminar Series. We have the opportunity to show the world the strength and unity of our Federation. I am asking each and every one of you that say you follow me, that you train with me, that you are a BKF member, that you no longer say it with only your mouth but show me it in your actions. Must I remind you that when many of you needed my help, I was always there for you. Now I am asking you to support me as I have supported you! I will see with my own eyes who I can count on when I look out on the mat at **DISNEYWORLD**.

On October 26, 2007 at Disneyworld in Florida, I hope to show the world the warrior spirit of the BKF. I will present a five hour seminar to coincide with the release of the ACTUALIZE DVD 1&2. We have the honor of being one of the opening events for the **DISNEY MARTIAL ARTS FESTIVAL**, a world class tournament. **DISNEY** requests that all attending the seminar pre-register to ensure that the event starts on time. All of you that are planning to attend please contact Sifu Sandy Amason (760-803-8714) and she will be able to help you with all the details for the event.

On another topic, I have received many phone calls about BKF business. Some of the questions asked were regarding membership dues, Black Belt promotions, who are on the board, what is the vision and direction, etc. Right now all of our focus is on the DVD project and the **DISNEY** event. **NO** Black Belt promotions or other business will be handled until the first official business meeting of the BKF. On the same day as the seminar a meeting will be held, the exact time will be announced at the seminar. At this meeting many of your questions and concerns will be covered along with a open discussion on the of future of the BKF.

Until I see you, be strong my brothers and sisters.

Sincerely,

Sijo Steve Muhammad
